

Betweenness Centrality

Index for number of network paths that pass through node, weighted by combined activity catchment and cumulative impediment

Nodal Average: **66.7**

Global Betweenness Index: **939**

Percentage of segmental betweenness:

Underground: **45.5%**

Overground: **4.0%**

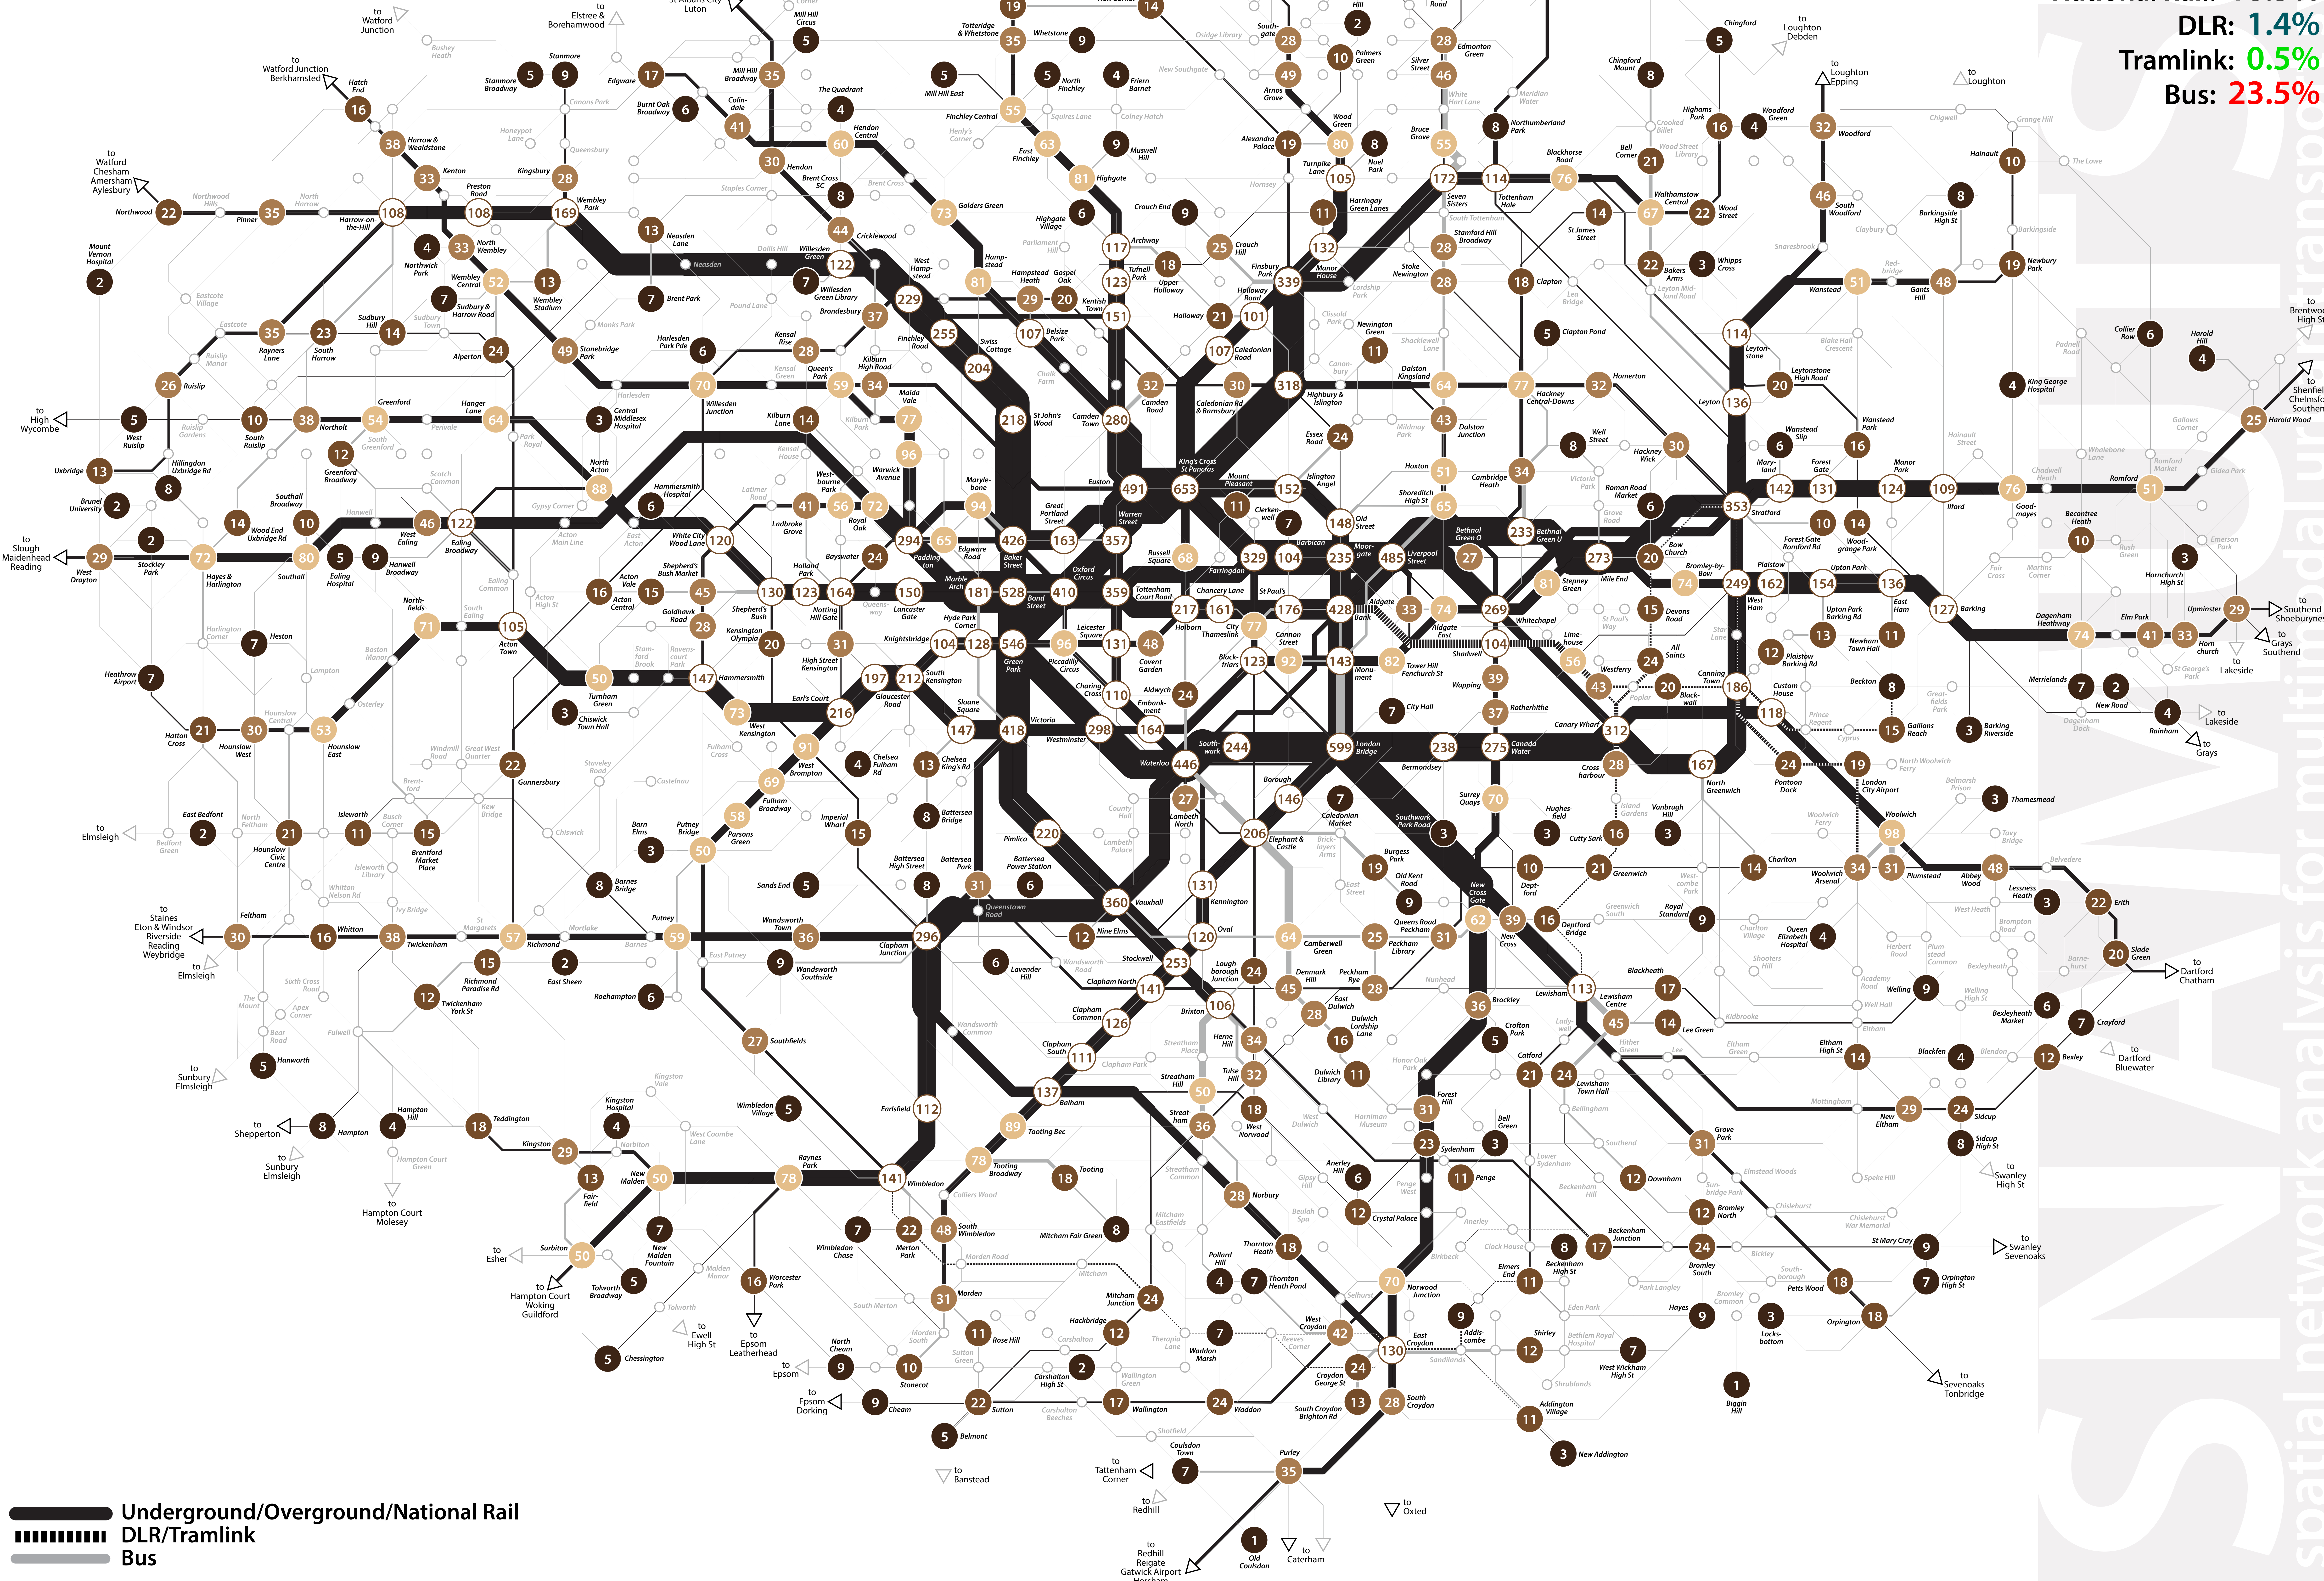

Elizabeth Line: **6.5%**

National Rail: **18.5%**

DLR: **1.4%**

Tramlink: **0.5%**

Bus: **23.5%**
